Please tell us a little bit about our Veteran ..... (we may edit this information some in order to make it fit on the website, but we will not change any of the FACTS about his or her Achievements as a Veteran)

**Example :**

I am Retired Platoon Sergeant Jack Johnson. I wanted to join the Coast Guard, but the local recruiting office told me they didn't have such a recruiter, but they did have a Navy recruiter.

I said, That's all right, I like boats. But the Navy recruiter was out to lunch with the Army guy.

A staff sergeant ... said, Come here, you can sit in here and wait until they get back. And that's how I got in the Marine Corps - I didn't want to join the Marine Corps, but as luck would have it.

So I enlisted in 1966, I served in Vietnam and left the service about 10 years later. Later I joined the National Guard and, in 2006, retired as a platoon sergeant with more than 30 years of military service.

I was the only veteran among my group to serve in Vietnam and Iraq, having completed a one-year tour in Iraq starting on Christmas Eve of 2004.
